DILP Offers Recommendations for Pool, Spa, and Hot Tub Owners

(Bel Air, MD) - - The Harford County Department of Inspections, Licenses and Permits (DILP) is advising citizens who are considering adding a pool, spa, or hot tub to their property that there are certain codes that should be followed.

Recently, DILP has investigated numerous complaints regarding safety issues associated with swimming pools, spas and hot tubs. If these items are installed, it is important that all applicable safety requirements are met and inspections performed.

The County has prepared a memorandum explaining the requirements. Please contact the Harford County Department of Inspections, Licenses and Permits at 410-638-3366 for a copy of the memorandum. For more information, visit DILP's website at <http://www.harfordcountymd.gov/dilp>.
